PREPARED BY DOLORES HUERTA FOUNDATION

For over two decades, the Dolores Huerta Foundation (DHF) has been at the forefront of the fight for social justice, inspired by the iconic labor leader and civil rights activist Dolores Huerta. Our mission is to create a more just and equitable society by empowering and organizing communities to engage in systemic change.

DHF envisions a world where every individual, regardless of background or circumstance, has the opportunity to thrive in a healthy, just, and fully equitable society. We are dedicated to advancing civil rights and social justice by mobilizing and advocating for those we serve.

As a leading force in grassroots activism, the Dolores Huerta Foundation has garnered widespread support and engagement. We represent the collective voice of our community members, advocating at the local, state, and national levels.

At the Dolores Huerta Foundation, we tirelessly fight for equity through various avenues:

- **Civic Participation:** We strive to increase civic participation and build political power within underrepresented communities, the LGBTQ+ community, ensuring their voices are heard in the democratic process.
- **Empowering Leaders:** We actively support and empower leaders within our community, fostering a new generation of advocates and change-makers.
- **Legislative Advocacy:** DHF advocates for pro-equality legislation at local, state, and national levels, driving tangible change in policy and law.
- **Education Equity:** Committed to education justice, we champion student rights and equitable access to education, ensuring a fair and inclusive school environment.
- **Health and Well-being:** Addressing disparities in health and well-being, we work towards creating an environment where every individual, regardless of their identity, can access equitable healthcare.

By aligning with the Dolores Huerta Foundation, you join a movement that has a lasting impact on the quest for justice and equality. Together, we can create meaningful change and build a society where everyone is treated with dignity and respect. We invite you to partner with us in championing a more inclusive and just world.
